Hiring Manager
Wayfair
Bangalore, IND

Dear Hiring Manager,

I am writing to express my interest in the Software Engineering Internship (Requisition ID: 12415) at Wayfair, as advertised. Having completed my B.Tech in Information Technology in 2023 and currently working as a Software Developer at Passion Infotech, I believe that my academic background, technical skills, and passion for innovative problem-solving make me a strong candidate for this opportunity.

In my current role, I have developed a solid foundation in full-stack development, object-oriented programming, and web technologies. I have hands-on experience with languages such as JavaScript and Python, as well as SQL for database management. Recently, I worked on a project where I created a user-friendly web application that streamlined client reequirements, reinforcing my ability to work effectively in a collaborative, agile environment.

I am particularly drawn to this internship at Wayfair because of your commitment to providing a world-class shopping experience through technology. I admire Wayfair's focus on leveraging data and machine learning to enhance customer interactions, and I am eager to contribute to this mission. I thrive in environments that allow for autonomy and creativity, and I am excited about the opportunity to work alongside talented professionals across various technical teams.

Additionally, my strong communication skills enable me to collaborate effectively with cross-functional teams, ensuring that our projects align with business objectives while maintaining a user-centric approach.

I am enthusiastic about the chance to learn from the diverse team at Wayfair and to contribute to impactful projects that drive innovation in e-commerce. Thank you for considering my application. I look forward to

discussing how my skills and experiences align with the goals of Wayfair.

Warm regards,

Vaishnavi Deavrdekar
